

EZINWA JOSHUA NWAKWUO

PROFILE

A young, Innovative, Creative & Experienced Frontend and Mobile Developer with 5 years in the industry and high-level proficiency in lots of programs and frameworks and seeks to establish a career as a Mobile and React/React-Native Developer. I am very familiar and experienced with Web Application Architecture and have worked with a good number of successful development teams. I am interested in building scalable & performant web & mobile apps for both the iOS and Android platforms, build a strong skill in working with open source libraries, by making contributions on bug fixes, and helped others in the open-source community.
